Commissioner for Patents

Alexandria, VA 22313-1450

S I R :

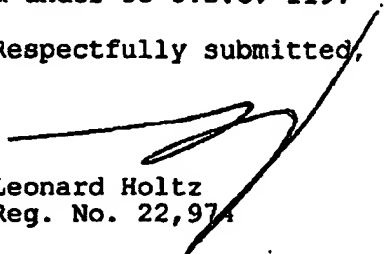

The Notice of Allowability (PTOL-37) attached to the Notice  
of Allowance dated April 12, 2007 indicates that the certified  
priority document has not been received by the USPTO. This is  
not correct.

Attached hereto is a photocopy of a return receipt postcard  
stamped by the USPTO evidencing that the USPTO received the  
certified priority document on September 27, 2007. Also attached  
are a copy of the transmittal letter submitting priority document

dated September 24, 2001, and a copy of the first page of the priority document.

It is respectfully requested that the Examiner issue a Corrected Notice of Allowability (PTOL-37) which indicates that the certified priority document has been received by the USPTO to perfect the priority claim under 35 U.S.C. 119.

Respectfully submitted,

Leonard Holtz
